

# Welcome to AGOG

## A few tips

- Make your BGA account, if you haven't yet! It's free.
  - Give BGA your email address and create a BGA password.
  - Otherwise someone else could take your username tomorrow.
- Three ways to join a BGA game:
  - Find other player and go to their table (easier if friends);
  - Be invited to the table (easier if friends);
  - Receive the URL of the table in text, click it.
- Besides the scheduled channels/rooms AGOG 10 to AGOG 19, there are channels Open Gaming 1 to 6 for your use.

# Tournaments

**Well before start time** use the link in the event listing to join the tournament. If you don't click this button, you will *not* be in the tournament when it starts!

 Register for this tournament

**If you change your mind** before start time, there will be an option to “unregister tournament” on the same page. Please use it, to avoid chaos in the tournament pairings.

**At tournament start time** be logged in to BGA. The system will notify you of your game tables. As soon as each round finishes, the system will alert you to your next game.
